Description:

The winery's Estate mountain vineyards again produced outstanding fruit from fully mature vines. The complexity and depth of character can only be achieved from this mountain location. This wine has a small blend of Merlot and Cabernet Franc and is aged in French oak barrels for 18 months.

Re-release:

This is our newest Library wine to be re-released after additional cellar aging in ideal conditions at the winery. A classic Burgess Cabernet Sauvignon, full of elegance and complexity—that's our character. Dark fruits integrated with a bouquet of cedar, herbs, mint and an ethereal summation that can only be found in an aged, complex wine. The balance and structure makes this a great wine for food pairings which range from heartier meats or an assortment of cheeses.
